

Are you passionate about animal care? Would you like to promote animal welfare?

Then this opportunity is for you!

About animal shelter

Founded by passionate animal lovers in 2007, the next year they opened a proper animal shelter and have since found new loving homes for over 6,500 animals.

The shelter's mission is to reduce the number of unwanted pets in a humane way, promote society's awareness of animal welfare, and establish a shelter meeting EU standards with an effective animal rescue system.

Funded by

Volunteering position

As a volunteer at animal shelter Lesė, you will assist the staff with:

- daily care of animals (walking, feeding, giving medicine, etc.),
- cleaning the shelter (cleaning cages and other shelter areas),
- making photos of animals to put them on the website for adoption,
- preparing animals for transportation to the veterinary office.

We are looking for 1 long-term volunteer for a period of 10 months, starting in March and ending in December.

Volunteer profile

We're looking for highly motivated individuals who have some previous experience working with animals. As a volunteer, you must have a positive attitude towards your work and be able to withstand certain smells, you should not be afraid of dogs or cats and not have allergies.
